You Asked, We Listened!

What to Expect at the 2023 Peach Festival

After a few years navigating the impact of COVID-19 on the Peach Festival and what it means for our community members, we're back at Civic Center Park and we have a ton of changes in store for 2023.

New Great Location

We've moved the 2023 festival to Civic Center Park, and we will have areas for live music, beer and 21+ drinks, food, and other local vendors.

We have FOUR different bands playing throughout the day, so stick around and listen to some great local music!

Free Entry for Everyone

Entry is FREE for everyone, adults and kids alike. Please note, there will be no kids zone this year and the event will primarily be an outdoor music + food + drink event.

There will be PEACH-related vendors selling pie, ice cream, peaches, and more (while supplies last)!

\$10 Wristbands for Alcohol

We will require wristbands for anyone 21+ who wants to indulge in craft beer or peach cocktails. This cost DOES NOT include the cost of drinks (proceeds benefit our fundraising efforts!) Wristbands will be sold on-site **CARD and CASH only!**
