

Regional Work-Based Learning Initiatives

Larimer & Weld County Work-Based Learning (WBL) Alliances

- ❖ Our Mission - To align education and workforce to increase sustainable community access to work-based learning by removing barriers and sharing resources.
- ❖ Our “Why” – To connect with businesses in an effort to address their talent needs.

Our partners:

Larimer and Weld public partners that spans education, workforce and non-profits.

Work-Based Learning in NoCo

Weld and Larimer collaborated and created [NoCo Inspire](#) which is a one-access point website for all things work-based learning related.

We can help businesses and organizations expand their opportunities through work-based learning by:

- Building industry awareness and exposure
- Creatively strategizing with hiring and onboarding processes
- Developing and retaining their current workforce
