

INTRO TO NON-PROFIT ORGANIZATIONS AND NON-PROFIT BOOKKEEPING

Level up your understanding of non-profit organizations and learn the key fundamentals to produce stellar non-profit financials.

July 24 - July 25, 2023

10AM-4:30 PM

- ▶ Seeking current non-profit bookkeepers, executive directors or key staff members/board members who want to level-up their non-profit bookkeeping understanding.
- ▶ 2-day intensive class where you will leave feeling empowered that you understand more about the importance of non-profit accounting procedures.

EDUCATIONAL TOPICS:

Organizational structure, GAAP accounting, financial reports, segregation of duties, recognizing revenue, donor-imposed restrictions, budget, function expense allocation, and more!
